Dear Colleague:

I am writing to let you know we are changing services and some staff responsibilities this month. Effective November 15, I am assuming the responsibilities for adolescent services in Missoula and Ravalli Counties. I will be located in Missoula and will continue a variety of services for youth and families

Nanette Seltzer will assume the clinical coordination in the Hamilton office. Fiscal management will be under the direct supervision of Director, Skip Rosenthal. Kate Sells, Counselor, will assume coordination of the Level I group in Stevensville.

I will continue to do School Based Services and individual sessions with adolescents and families.

Thank you for all of the support and assistance you have provided me, and I look forward to continuing to work with the many programs in Ravalli County.

Sincerely,

Jim Mason MA LAC
